Roy K. Philip
Limerick, Ireland

FRCPI, FRCPCH, MD, DHE, FJFICMI

Consultant Neonatologist, Clinical Director for Maternity & Child Health, UL Hospitals, Limerick, Ireland

Neonatologist and an innovator of healthcare products and services, he is the Clinical Director of Maternity & Child Health of University Hospital Limerick, Ireland. Past President of Irish Paediatric Association (IPA) from 2007 to 2012, Dr. Philip was formerly the consultant at the Rotunda Maternity Hospital Dublin and Critical Care Fellow at Great Ormond Street Children's Hospital, London. He is a Fellow of Royal College of Physicians of Ireland, Royal College of Paediatrics & Child Health of UK and the Joint Faculty of Intensive Care Medicine of Ireland. In addition to MD in Paediatrics, he also holds postgraduate qualifications in health services management, health economics and healthcare leadership & quality.

Dr. Philip is in receipt of national and international health services development awards and is a reviewer / editorial board member of international journals. Neonatal blood sampling device (Philip's needle) marketed by Vygon as Neo-safe® was developed by him. His current areas of interest are breastfeeding of premature neonates, NEC prevention, RSV & Rotavirus infections and paediatric high dependency unit (PHDU) care. He is an active communicator via LinkedIn
